NEW! What's New

Visitors who pre-register online before Feb 10, 2010 for visiting WMF2010. Lucky Draw and win 1 FREE hotel room night in Beijing during the show pe

Exhibition Introduction:

The International Exhibition on Woodworking Machinery and Furniture Equipment (namely WMF) / The International Exhibition on Furniture Accessories Materials and Wood Products (namely FAM) were inaugurated in 1986 as the largest and the most established wood working exhibitions in Asia and China, keeping pace with the market for over 20 years, WMF / FAM aims at working with the wood working industry in production modernization. Riding on the brilliant tradition, FAM will be held again in China International Exhibition Centre (CIEC), Beijing, March 2010, providing the best platform to showcase the most cutting-edge products and benefits to all players in the industry.
